

ENCOURAGED *to encourage*

Reflect on how others have encouraged you in faith and ministry and create a personal plan for becoming an encourager.

A time someone encouraged me in my walk with Christ —
What did they say or do? How did it impact me?

A time I felt discouraged in ministry or service —
Who showed up? How did they help?

A word, verse, or action that still strengthens me today:

My Encouragement Plan

-  Text a pastor, leader, or friend a Bible verse and a note of encouragement.
-  Write a short note or card to someone going through a hard season.
-  Tell someone specific words of affirmation after they serve or lead.
-  Pray for a church in your area and let them know you're doing it.
-  Invite someone to coffee just to say, "You're doing a good job — keep going."

"Therefore encourage one another and build each other up as you are already doing."
(1 Thessalonians 5:11 CSB)
